Our aims:

- Club Championship rounds held in optimal surf conditions – a 4-day window each month for A Grade in March, June and July. B Grade to have 6-month window (2nd Sun of month) as above
- At least 3 rounds to decide the A & B grade Club Championships. A 4th round (hopefully!) will allow a surfer's best 3 out of 4 results to count towards the title
- One Seniors Age Division Pointscore per year at Cowries, if conditions are suitable for the average surfer and not too intimidating (e.g. 3-4ft). Juniors would be held in arvo on same day at a more mellow break
- For Age Division Pointscores – the titles will be decided by a surfer's best 6* results from up to 8 rounds, or best 7 if 9-10 rounds are completed

* depends on COVID and surf conditions – it may be less if there's any restrictions
